PRESIDENTS MESSAGE

Our convention last April was an unqualified success from all possible standpoints. The Kansas City group did a marvelous job despite their own doubts of their ability to stage a large regional convention. Advance planning was a major factor in the success along with plenty of spadework by the key individuals and their helpers. This advance planning makes all matters seem to fall into smooth-running grooves when the time arrives for the various events to happen. But without it there might be chaos.

The 1960 convention was awarded to Detroit some time ago and there has been much advance planning. The Central States convention in Detroit in 1960 will be a prelude to the ANA and Canadian combined convention in 1962.

The Minneapolis group has also started planning and action for our 1961 convention. So with some help and advice from past participants we should encounter few or little difficulties in our conventions to come. I am sure that if the planners of future conventions will only ask the groups that have already held conventions, their doubts can easily be dissipated. This does not mean that it does not require a lot of hard work to run a convention, but all true numismatists have aided numismatics with their generally unrewarded labors of love. The inner satisfaction of having accomplished something is quite rewarding in itself.

But we must continue to grow and progress. If we stand still it is like going back. Our membership roster is not very large for an organization as old as ours, so each member is urged to bring in a new member during the

coming year. If we all accomplish this we can double our membership by convention time.

It was noted at the Kansas City convention that about one-third of the participating bourse dealers were not CSNS members. While our By-Laws do not allow business firms to become members, they do allow and encourage the members of the business firm to join. I am sure that some of the dealers have not joined either through oversight or because they were not asked. I sincerely hope and anticipate 100% bourse membership in CSNS in Detroit.

The 1962 CSNS convention site will be decided by the Governing Board at the interim meeting to be held in Chicago on seventeen October at the Webster Hotel where the Chicago Coin Club is holding its Annual Fall Festival, an all day affair.

—HARRY X BOOSEL, CSNS President

MESSAGE FROM YOUR SECRETARY

Kansas City presented us with one of the TOP conventions of Central States. Its entire committee deserves much praise and as your Secretary I want to offer a sincere "thank you" officially from the Officers and Governors for a job well done. The official registration was 602 and banquet 241. From their financial report it is evident they reaped money, spent money, and made money. Fine. Some "highlights" on the registration — Missouri 211, Kansas 112 and Illinois 51.

The main item at the annual business session was the adoption of a constitution and revised bylaws. Same are made a part of this issue of **THE CENTINEL**.

At this time of year I am concerned with what can be done with a few of our old (and some not so old) loyal Central Staters in the way of "inveigling" them to part with \$2.00 for their current dues. Our deadline is now October 31. Please! I lost a 1957 proof set because we did not make 800 as a registration figure at K.C. Let's see, they are now worth about \$1.75. No ribbing, now, on my generosity.

—DR. F. S. EPPS, CSNS Secretary

CSNS-HANA MEDAL

A medal was struck by the Heart of American Numismatic Association to celebrate its twenty-fifth anniversary and the seventeenth annual convention of the Central States Numismatic Society. Bruce D. Busey designed the medal.

One side of medal shows the first hand operated coin press of the United States. This machine was a crude, slow device which stamped the metal into a set jig and thereby produced a coin. The other face of the medal shows the Liberty Memorial and a skyline of Kansas City. This represents the heart of the association. The medal is 33mm in diameter and was struck in a nickel-silver composition. The years 1934 and 1959 represent the number of years for which the association has been organized. On the reverse side HANA honors the Central States Numismatic Society and its seventeenth annual convention, April 24, 25, 26, 1959.

THE KANSAS CITY CSNS CONVENTION

To HANA President Ray Lefman, Co-Chairmen Ray Janda and Allin Lowe, go accolades for one of the finest CSNS conventions ever held — that in Kansas City, Mo., last April 24, 25 and 26. The phrases most commonly applied to it are "smooth running," "well organized," "a bourse with plenty of dealer room," etc.

About seventy-five dealers occupied the bourse and all heard from reported good business and general satisfaction all 'round. A two-session auction by S. J. Kabealo was well attended.

Over a thousand were in attendance, although those registered totaled 602 with 241 at the banquet. Exhibits were of fine quality. Exhibit judges were Glenn B. Smedley, C. C. Shroyer and Lewis M. Reagan.

Officers and Governors elected for the year 1959-1960 were: Harry X Boosel, president; Ray O. Lefman, vice president; Dr. F. S. Epps, secretary-treasurer; August F. Hauske, Ray M. Janda, Sol Kaplan, Clifford Lindall, Franklin H. Miller, Paul E. Olson, C. A. M. Smith, Leo G. Terry, governors.

The CSNS Constitution and Bylaws, as revised and amended, was adopted. Text is found in the present issue of THE CENTINEL.

A new name, THE CENTINEL, for the CSNS official publication was approved at Kansas City, although it had been proposed and approved by the Board of Governors during the interim board meeting in Chicago October 4, 1958.

CSNS MEDALS OF MERIT

At the Kansas City CSNS convention, medals of merit were presented to Dr. F. S. Epps and Lee F. Hewitt for their long service to CSNS and the cause of numismatics. Notable was the presentation of appropriate citations

along with the medals, probably the first time this has been done in numismatic circles. The citations read:

WHEREAS **Dr. F. Stevens Epps** has for many years contributed to the betterment of numismatics, particularly in the application of chemistry to the preservation of numismatic specimens; and

WHEREAS he has served well as the Secretary-Treasurer of the Central States Numismatic Society; and

WHEREAS he voluntarily spent many hours in a minute search of all CSNS records for motions and resolutions still effective so that they might be incorporated in the revised society bylaws; and

WHEREAS he worked closely with the bylaws committee and materially assisted in the drawing up of a CSNS constitution, Therefore

BE IT RESOLVED, on the recommendation of the CSNS Medal of Merit Committee and the approval of the CSNS Board of Governors, that **Dr. F. Stevens Epps** shall be and is awarded the Medal of Merit of the Central States Numismatic Society for the Year of 1959.

WHEREAS **Lee F. Hewitt**, through his Numismatic Scrapbook and other means of communication, has been a major factor in the spread of numismatic knowledge throughout the United States and other countries; and

WHEREAS he was a founder and is Member No. One and Honorary Life President of the Central States Numismatic Society and has been a stabilizing influence on the Society; and

Section 2. Regular Members shall be carried on the roster on a yearly basis as defined in Article I, Section 1, of these By-Laws.

Section 3. Applicants for Life Membership must be regular members in good standing for a period of not less than one year.

Section 4. Application for membership in either class shall be made on forms prescribed by the Secretary-Treasurer. Applicants for Regular Membership shall be "proposed" by a member in good standing.

Section 5. Duly organized numismatic clubs within the prescribed area of the Central States shall be eligible for Regular Membership but not for Life Membership. (Exception: Central Illinois Numismatic Society which is already Life Member No. 18.)

Section 6. Business firms shall not be eligible for membership as such, but individual members of business firms may become members if they meet the requirements of these By-Laws.

Section 7. The Annual Dues of Regular Members shall be \$2.00 for the Society year ending April 30th. Dues received with applications for NEW members between January 1 and April 30 of any year shall be considered as full payment of dues for the period ending April 30 of the following year. The Life Membership fee shall be at the rate of twenty (20) years dues when application is made, and must accompany the application. Either the Regular Membership dues, or the Life Membership fee may be changed at any annual meeting by a majority vote of the members present and voting, providing Article VII, Section 2, has been complied with.

Section 8. Applications, together with the proper amount of dues, shall be sent to the Secretary-Treasurer who shall accept them provisionally and

A majority vote of those present and voting on any ONE or more "provisional" members shall elect.

Section 9. Regular Membership dues shall be payable in advance. The Secretary-Treasurer shall send a dues notice during the month of May to those members who have not paid their dues for the current year. If not paid by September 30, the Secretary-Treasurer shall inform such members by mail at their last known address, that unless their current year's dues are paid, their resignation accepted, good cause shown or knowledge of their death had been received by the Secretary on or before October 31 of the then current year, they will automatically forfeit their membership, and their names shall be published in the next issue of the Centinel as having forfeited their membership for non-payment of dues.

Section 10. Members dropped for non-payment of dues may be re-instated only upon the favorable decision of a majority of the members of the Governing Board, AND the payment of the current year's dues plus a re-instatement fee of \$1.00. Resignations in writing by members in good standing, may be accepted by the favorable action of a majority of the members of the Governing Board.

Section 11. Any member violating these By-Laws or committing any unfair or unethical act in his dealings with fellow numismatists, or unjustly defaming the character of any other member, or interfering with the activities of the Society shall, by a majority vote of the Governing Board, be expelled from membership. Such action shall not be taken by the Board, however, until the accused member shall have been informed in writing of the complaint(s) against him or her, and the Governing Board has held a private hearing immediately preceding the next annual meeting, at which private hearing both the complainant and the accused shall have had a chance to present evidence and/or arguments as they may desire for consideration by the Board.

Section 12. No debts shall be contracted in the name of the Society without the written approval of a majority of the Governing Board, except that the Secretary-Treasurer may purchase and pay for stationery, postage and supplies incident to said office, and likewise the Editor may incur the normal expenditures incident to the publication of the Centinel and his office.
